

The Telework Business Equipment Loan Program makes it possible for individuals with disabilities to work from their home. A telework loan may be approved for a qualified Utah resident with a disability to begin a new telework or telecommuting job for an employer, remain employed in an existing telework job, or to start or expand their own business. Approved individuals with disabilities can borrow money from Zions Bank at no interest, (interest will be paid by the Utah Assistive Technology Foundation). Terms include:

- Zero percent interest rate for up to a three year term
- No documentation fee

The Utah Assistive Technology Foundation is a 501(c)3 federal tax exempt private foundation. Your donation is tax deductible, and you will receive an acknowledgment of your contribution. For more information about the UATF, please call (800)524-5152.
