

Utah Assistive Technology Foundation

Introduction

The nonprofit Utah Assistive Technology Foundation (UATF) and Zions Bank help make independence affordable by offering low interest financial loans to purchase assistive technology devices, including home modifications and adapted vehicles. Loans are unsecured, except for adapted vehicles. Our goal is to assist Utahns with disabilities by enhancing their independence, education, employment, and quality of life through assistive technology.

There are four parts to the application. Complete all forms completely in **black ink** and return with an invoice indicating model/serial number and total price, to:
