

A UATF Success Story!

"Life is so much better because if we need to go somewhere either one of us can just wheel Isaac into the van & take off. The UATF makes a difference in people's lives by giving them the freedom to be involved in the community."

- UATF recipient, Don McMahon

UATF is part of the Utah Assistive
Technology Program.

Assistive Technology Loans

Utahns with disabilities may be eligible for a loan from the Utah Assistive Technology Foundation to purchase assistive technology or home modifications.

Loan specifics:

- \$500 to \$50,000 available
- Maximum repayment term is 5 years
- Interest rate is prime less 50%
- 1-week processing time

Loans are available for any assistive device, including:

- Adapted vans
- Wheelchairs or scooters
- Home accessibility modifications
- Braille equipment
- Adapted computer accessories and software
- Augmentative communication devices, including iPads
- Hearing aids

Loan requirements include an application, income verification, AT information and is based on your credit score, debts and income. The loan is offered by the Utah Assistive Technology Foundation in partnership with Zion's Bank.

Small Business Loans

Small business loans for Utahns with disabilities are available through the UATF in partnership with the Utah Microenterprise Loan Fund. Loans can be used to start or expand small businesses.

Applicants must be a resident of the state of Utah with a disability. Proof of disability is required by a letter from a medical professional or proof of enrollment in SSI or SSDI.

- Loan amount: \$500 to \$25,000
- Maximum repayment term: 5 years
- Interest rate: Prime rate less 1/4%
- Processing time: 3 to 6 weeks

Loans are available for:

- Communication equipment
- Home/office modifications
- Vehicles or farm equipment
- Computer or office equipment
- Tools of the trade or equipment specific to the business such as photography equipment

Small Grants

Small grants to help purchase assistive technology are provided to Utahns with disabilities who qualify by the Utah Assistive Technology Foundation.

- Grants are a maximum of \$400.
- There's a limited number of grants available, applicants may be relegated to a wait list.
- Applicants must be low-income (at or below 150% of poverty level) with no other funding source.
